

Window to plan/participant information

LifeBenefitsExtra is our online technology solution for employers. This online tool provides access to your company's group life insurance program.

Participant search

Use a single search to find employee information, including:*

- Participant's profile information
- Contract details
- Beneficiary designations
- Underwriting status
- Claim status

Plan reports

- Securely access reports prepared by us.
- Use our Report Builder, create your own custom claims and underwriting reports. Then print them or save them as a PDF or Excel worksheet.

Forms

Available online in the up-to-date version for your plan.

Quick click for plan information

From the Resources menu, use the drop-down to go directly to the reference information you are looking for.

*Some information is only available to home office plans.

Exchange files securely

Send files up to 50 MB securely to us. We can also post files for you to access in a secure environment.

Administer your users

Designated administrators can see who has access to the site and add or remove users.

Customized contact list

Access direct phone numbers and e-mail addresses of your service team.

Simple navigation

Drop-down menus help you move about the site easier and faster.

eClaims

If appropriate for your plan, provide us with claim notices online for faster payment and simplify the notification process for the participant's beneficiary.
